Fonts

Raleway
Light

AaBbCc123

Raleway is used for headings as it provides well-rounded, geometric letters that are easy to read in large sizes. It also brings an inviting and professional tone to the text.

Open Sans
Light

AaBbCc123

Open Sans is used for all subheadings and paragraphs. This font works well when used for longer texts and numbers as it was created with legibility in mind and is optimized for web and print.
