NEW SINGLE OUT NOW

The screenshot shows the Storyblok Headless CMS interface. On the left is a preview window displaying the website 'A SHORT WALK TO PLUTO'. The website has a dark background with a starry texture. It features a large white title 'A SHORT WALK TO PLUTO' with a white outline. A white line drawing of a person in a spacesuit is floating in space above the title. To the right of the title is a small image of a dog on a beach at sunset, with the word 'Jorleigh' written above it. Below the image is a blue button with the text 'NEW SINGLE OUT NOW'. At the top of the website, there is a navigation bar with links for HOME, BAND, SHOWS, MUSIC, MERCH, VIDEOS, and CONTACT. There are also social media icons for Facebook, Twitter, and Instagram. On the right side of the interface, there is a sidebar with tabs for Content, Status, Config, and Tools. The Content tab is selected. Under the Content tab, there is a 'Page' section with a 'Define schema' button. Below that is a 'Body' section containing a list of content blocks: 'Select all', 'Hero' (with a sub-item 'New single out now'), 'About' (with a sub-item 'Meet The Band'), 'Gig List' (with a sub-item 'Upcoming Shows'), 'Music Player' (with a sub-item 'Our First EP'), 'Merch' (with a sub-item 'Merch'), 'Video Player' (with a sub-item 'Music Videos'), and 'Contact' (with a sub-item '420 Douglas Ave Toronto ON, Canada'). At the bottom of the sidebar is a 'Add block' button.

ALVARO CONDENSED

Helvetica

Alvaro Condensed provides bold, attention-grabbing headings that matches the indie rockband's energy and loudness.

Helvetica is used for all subheadings and paragraphs for its legibility when used in longer texts. Its neutrality provides a good contrast against the loud headings.
